KWAH!

Kwah! Say it out loud and suddenly in a puff of smoke you change. No longer are you a mere mortal, but a crime-fighting super-hero.

Do you dare take on the challenge of being a super-hero?

"Well worth every penny of a crimebuster's meagre spending money" – Amtix Accolade

"Highly original, excellent atmosphere to an excellent game" – Computer Gamer

"All Melbourne House hallmarks: the game style is highly original, the presentation is slick and it's cleverly programmed" – Sinclair User

"Clever and very new. I certainly look forward to the next one" – Commodore Computing International

Reviews are from "Redhawk" – the prequel to "Kwah!".
